The dispensaries are at present housed in private buildings given free of rent for temporary use until new buildings are put up. Estimates for the construction of buildings are under preparation.

2. No furniture has been provided in the present buildings. As the equipments and medicines for the centres have been received, the supply of furniture to the dispensaries is felt urgent. The following are the articles of furniture urgently needed at each centre.

Article (All jackwood).	No. required.	Cost as per least tender.	Total cost.
1. Tables - 4' x 2' x 2½' with single drawer.	2.	40-0-0.	80-0-0.

			825-0-0.

3. In the Overall programme, a sum of Rs. 1,000/- has been set apart for supply of furniture to each dispensary. The total cost of the furniture proposed to be supplied amounts to Rs. 825/- as noted above. The list of articles has been approved by the Dt.Veterinary Officer, Mangalore. The rates quoted above are based on the tenders submitted to Government in this office No.38/53-C dated 27-2-1954 in connection with the supply of furniture to the Primary Health Centres. As the local rates are per last tender.

are much less than those quoted by the Central Jail, Cannanore and as the articles are required urgently, may be permitted to purchase the articles locally. Sanction may also be kindly accorded for the expenditur of Rs. 8,000/- towards the cost of the furniture and their transport charges, at the rate of Rs. 1,000/- for each dispensary as provided for in the Overall Programme.

4 It was been ascertained from the Jail Departments that they are not able to supply the furniture urgently. The cost of furniture quoted is also high while the quality of the furniture is very poor. It is, therefore, requested that general permission may be given to purchase the furniture locally, when the Jails are not able to supply in time and where local rates are lower than the Jail rates.

2.G.O.Rt.No.773 Agri. Dept. dated 25-5-1954.

I now understand that furniture made in wild jack are more durable than the articles made of jack wood. But, in the proposals submitted for sanction of expenditure for supply of furniture to Veterinary Dispensaries, jack wood was mentioned instead of wild jack. and consequently the same was noted in the G.O. cited second above in which the sanction was accorded.

I, therefore, request that this mistake may kindly be rectified by the issue of an erratum, if necessary.

Please see the letter on ppL-2 of the PEO. has furnished a list of articles of furniture required for each of the Veterinary dispensaries opened at Baggu Kundabidri and Heleri, now housed in private buildings free of rent. The total cost of the articles of furniture according to the lowest tender is Rs 875/- for each centre and it is less than the rate accepted at the rate quoted by the Central Jail Cannanore. The Jail dept are not able to supply the articles of furniture urgently required as they are required urgently he requests that Sanction may be accorded to an expenditure of Rs 1000/- in each case which includes transport charges. He also requests a general permission to purchase locally when the Jail dept is not able to supply at a cheaper rate than the Govt rate. This is not possible. The notes of Agri. Dept. on pp. 1-2 above and the draft order below may be perused. Under instructions (2(a) in rule VIII of article 125 in) ~~in Chapter No. VIII of~~ M.F.C., Vol. I, every purchasing officer should invariably buy all such standardized articles of furniture which he requires from the Jail Department, with the exception that he may buy them from the Government Industrial School at Madurai, Bellary or Calicut or the

Government Trades School at Mangalore, if the school is nearer than the nearest jail and can supply them reasonably promptly.

When experience shows that the addition of transport charges to the cost of standardized articles of furniture supplied by the Jail Department imposes an excessive charge on any consuming department, the head of the department should bring this to the Government's notice

Applications for purchase of furniture from outside the jail department should be submitted to th Government through the head of the department concerned and the I.G. of prisons. In specially urgent cases, copies of the letter and of the statement in the prescribed form, should be submitted by the head of the concerned department to the Government direct; the original being sent through the I.G. of Prisons.

This department may therefore suggest, that the procedure laid down in ~~the~~ G.O. Ms. No. 4270, Home, d/8.8.1939 may be followed and the I.G. of Prisons may be consulted in the matter.

After orders are passed, the file may be passed on to Finance.

In the circumstances stated by Agri, this dept. need not object to this being treated as a special case and local purchase may be agreed to. But in future the normal procedure appears to be preferable

Ref: From the P.E.O. Mangalore No. 3087/53 dated 6-4-54

Please see the proceedings of the P.E.O., Mangalore on page 1 cf, copy of which has been submitted to D.C.P. for approval of the orders contained therein. The P.E.O. has permitted the Veterinary Asst. Surgeon, Mudabidri to purchase articles of furniture noted at 'A' in P. 1 cf. at a cost of Rs 365/- and asks for approval of his action. The P.E.O. Mangalore had submitted proposals in his reference No. 3087/53-C1 dt 30.3.54, for the supply of furniture to all the three veterinary dispensaries that were opened in his area. This was examined and the case was sent to Home/Fin on 20.4.54. It is proposed to supply the furniture to the Vet. Dispensaries of S. Kanara at the scale noted at 'A' in the Draft Order in the L.F. The scale is as follows, for Racks, Almirah, Dressing Table, & Office Table for each Veterinary Dispensary

1. Racks with Shelves — 3 @ Rs 58 each
2. Almirah — 3 @ Rs 125 each
3. Dressing Table — 1 @ Rs 60
4. Table — 1 @ Rs 40

But the number of articles sanctioned by the P.E.O. in his proceedings are as Then follows:

1. Racks — 4 @ Rs. 35
2. Almirah — 1 @ Rs. 125
3. Dressing Table — 1 @ Rs 60
4. Office Table — 1 @ Rs. 40.

The P.E.O. has sanctioned one more rack than the scale allowed in the order to be issued.

2. Attention is invited to the notes of Hons at "XX" and 'M' on P. 3 Nf. of L.F. where they have agreed to the local purchase of furniture as a special case in that file, without following the procedure laid down in G.O. No. 4270 Hons. d 8.8.39. In future they insist on the usual procedure being followed.

In this case the P.E.O. by sanctioning expenditure on furniture in a proceedings of his and asking the Vet. Asst. Surgeon to purchase them locally has on a scale inconsistent with that which Govt. intend to sanction, has perhaps gone beyond the powers vested in him. He may be asked to cancel his proceedings and make arrangements to purchase the required furniture as per orders to be issued. The P.E.O. may also be told

1051

that exp. on furniture should not be sanctioned by him on any account without reference to Govt. He has not cared to remind the Govt. on his original proposals for furniture before issuing this proceedings. A Separate instruction can be issued with reference to the note of Home in the L.F.
